Invited plenary or keynote conference addresses / lectures

1. Morojele NK. (2008). Comparisons between Predictors of Anti-Social and Pro-Social Behaviours among Street Children in South Africa. Paper presented at an invited Symposium at the XXIX International Congress on Psychology (ICP) in Berlin. July 2008.
2. Morojele NK, Kekwaletswe, CT. (2008). The Role of Alcohol Use in the development of the HIV/AIDS Epidemic: *The international knowledge base with an emphasis on Sub-Saharan Africa*. Paper presented at the conference “Development and welfare in Malawi – the case of alcohol problems.” Lilongwe, Malawi. November 2008.
3. Myers B. (2008). Progress in and challenges to assessing population-level need for addiction services in South Africa. Oral presentation at International symposium on needs assessment and needs-based planning for substance use services and supports. Centre for Addiction and Mental Health, Toronto, Canada. June 9 November 2008.
4. Myers B. (2008). Treatment initiatives in South Africa: an overview of policy, research and services. Paper presented at a pre-congress workshop on Methamphetamine at the 10th International Meeting for the Society of Addiction Medicine, Cape Town. November 2008.
5. Morojele NK. (2008). The historical and current influences on substance abuse, and the negative consequences in Southern Africa. Paper presented at the Soul City Seminar programme on alcohol and the policy and legislative implications to addressing violence and HIV. Johannesburg. April 2008.

6. Parry CDH. (2008). Review of alcohol policy initiatives in South Africa: 1994-2008. Paper presented at the Soul City seminar programme on alcohol and the policy and legislative implications to addressing violence and HIV. Johannesburg. April 2008.
7. Parry CDH. (2008). Review of evidence based (& other) policies to reduce the Alcohol burden in South Africa. Paper presented at the Soul City seminar programme on alcohol and the policy and legislative implications to addressing violence and HIV. Johannesburg. April 2008.
8. Plüddemann A, Parry CDH, McKetin R. (2008). "Methamphetamine epidemiology worldwide and in RSA". Presented at the pre-conference workshop of the International Society for Addiction Medicine Conference. Cape Town. November 2008.
9. Morojele NK. (2007). A new challenge for Southern Africa: Health, Economic and Social Costs of Alcohol Use in Southern Africa. Invited speaker to conference on Alcohol hosted by the FORUT. Oslo, Norway. 26 April 2007.
10. Morojele NK. (2007). A new challenge for Southern Africa: Health, Economic and Social Costs of Alcohol Use in Southern Africa. Invited speaker to conference on Alcohol hosted by the NBV/10GT-NTO. Stockholm, Sweden. 27 April 2007.
11. Parry CDH, Fakier N. (2007). Drug use and harm reduction in South Africa. Paper presented at the International Harm Reduction Association meeting. Nairobi, Kenya. October 2007.
12. Parry CDH, Pithey AL. (2007). Tradition, poverty and modernity in South Africa – the role of alcohol and drugs. Paper presented at the “Schizophrenia Days 2007” psychiatry conference, Stavanger, Norway, November 2007.
13. Parry CDH, Plüddemann A, Bhana A. (2007). Monitoring alcohol and drug abuse trends in South Africa via SACENDU (1996-2006): Reflections on treatment demand trends over the past 10 years and the project's impact on policy and other domains. Paper presented at the Centre for Addictions Research of BC symposium - Monitoring alcohol and other drug related harm: building systems to support better policy - a Thematic meeting of the Kettil Bruun Society for Social & Epidemiological Research on Alcohol. Victoria, Canada. May 2007.
14. Parry CDH, Plüddemann A. (2007). Monitoring AOD use trends in South Africa (1996-2006) - 10 years of SACENDU data. Presented at 1st Biennial Substance Abuse Summit. Johannesburg. February 2007.
15. Myers B. (2006). Monitoring and evaluating substance abuse treatment in South Africa: barriers and challenges. Geneva, World Health Organisation, December 2006.
16. Parry CDH, Dewing S, Petersen P, Carney T, Achrekar A, Kroeger K, Needle R. (2006). HIV among IDUs, CSW and MSM drug users in South Africa. Presented at the 2nd Priorities in AIDS Care and Treatment Conference. Cape Town. October 2006.
17. Morojele NK, Brook JS, Katz BL. Substance abuse and violence among youth in South Africa. Plenary presentation at the 31st Annual Conference of the Global Health Council, Washington DC, June 2004.
18. Parry CDH. “Epidemiology of drug abuse in Southern Africa: Findings from the SENDU project”. Invited workshop presentation, 1st Regional Congress of Social Psychiatry in Africa, Johannesburg, March 2004.

Conference presentations

1. Carney T, Parry CDH. (2008). An audit of harm reduction strategies to address drug-related HIV and AIDS in Southern Africa. Presented at the International Harm Reduction Association's 19th International Conference. Barcelona, Spain. May 2008.
2. Harker N, Fakier N, Myers B. (2008). Surveillance of substance abuse cases encountered by social workers in the Western Cape. Presented at the Department of Social Development's Substance Abuse Conference. Cape Town. October 2008.

3. Kader R, Harker N, Myers B, Fakier N, Parry CDH, Flisher A J, Peltzer K, Ramlagan S, Davids A. (2008). A review of substance abuse research in the Western Cape (2000-2008): Key findings and recommendations for future research. Presented at the Department of Social Development's Substance Abuse Conference. Cape Town. October 2008.
4. London L, Mazok, C, Adam, H, Parry CDH, McLoughlin, J-A.. (2008). If the alcohol doesn't get you, then the other toxins will: potential role of contaminant toxicants in high FAS prevalence prevalence in the Western Cape Province of South Africa. Presented at the Symposium on the prevention of FASD. Cape Town. September 2008.
5. Morojele NK. (2008). Alcohol use and sexual risk behaviour in South Africa. Paper presented at the Alcohol and Infectious Diseases Technical Meeting, Cape Town. July 2008.
6. Morojele NK, Rendall-Mkosi K, London L, Matjila J, Olorunju S. (2008). Predictors of Risk of Alcohol-Exposed Pregnancies among Urban and Rural Women in South Africa. Paper presented at the 4th Public Health Association of South African Conference. Cape Town. June 2008.
7. Morojele NK, Rendall-Mkosi K, London L, Matjila J, Olorunju S. (2008). Predictors of Risk of Alcohol-Exposed Pregnancies among Urban and Rural Women in South Africa. Paper presented at the Symposium on FAS, Cape Town. September 2008.
8. Morojele NK, Sithole N. (2008). From hope to disillusionment: Experiences of street children in Pretoria, South Africa. Paper presented at the International Society for the Study of Behavioural Development Conference in Wurzburg, Germany. July 2008.
9. Ojo Y, Louwagie G, Rendall-Mkosi K, Morojele NK. The characteristics & alcohol use patterns of low & high risk female drinkers in the Western Cape & Gauteng Provinces of South Africa. Paper presented at the 4th Public Health Association of South African Conference. Cape Town. June 2008.
10. Myers B, Harker N, Fakier N, Kader R, Mazok C. (2008). Key findings from a review of evidence-based interventions for the prevention and treatment of substance use disorders. Presented at the Department of Social Development's Substance Abuse Conference. Cape Town. October 2008.
11. Parry CDH, Carney T, Petersen P, Plüddemann A, Dewing S, Kroeger K, Needle R, Achrekar A, Mbebe A, Treger L. (2008). MRC-CDC Rapid Assessment, Response & Evaluation of drug use among female sex workers / vulnerable women (2005-2008): from understanding to action. Presented at the RTI-MRC Policy Forum on "Vulnerable women: US partnerships and study outcome - forging a South African response.
12. Parry CDH, Jernigan D. (2008). Overview of alcohol and crime link. Presented at the Sober South Africa working group of the Action for a Safer South African Convention. Johannesburg. August 2008.
13. Parry CDH, Petersen P, Carney T, Plüddemann A. (2008). "Intervening to address drug use and sexual HIV risk patterns among vulnerable drug using populations in Cape Town, Durban and Pretoria, South Africa." Paper presented at the 2nd annual meeting between the MRC and the CDC. Johannesburg. November 2008.
14. Parry CDH, Seedat S. (2008). Fetal Alcohol Syndrome Prevention Study (FASER- SA). Presented at the Symposium on the prevention of FASD. Cape Town. September 2008.
